Re : Registration of a HYBRIDOMA
for the Purposes of Deposit under the Budapest Treaty

Dear Sirs,

We acknowledge good receipt of the hybridoma mentioned hereunder, 12 samples packed in dry-ice, transmitted for the purposes of deposit under the Budapest Treaty (Rule 6.1). The original documents were included in the parcel.

The biological material is registered on **10 May 2000**
under the following number:

Identification Reference

CNCM Registration Number

V5B2

1-2476

If a deposit is accepted later on, the CNCM accession number shall be identical to the registration number and the date of deposit shall be the date of registration.

Yours sincerely,

Dr. Georges Wagener
